RESUME

Length of time in University Area: 16 years

Number of years as a resident: 16 years as resident/over 10 years actively involved with neighborhood

Occupation: Creative Director, Ohio Supercomputer Center

Commissioner Statement: In my near three years on the University Area Commission (UAC) I have served to make the UAC an important, accessible and recognized element of our neighborhood. In my first year on the Commission I directed and implemented the UAC website so that area residents could voice concerns and provide input on our community. Shortly thereafter I served as Chair of the Community Relations Committee and effectively advocated for the Columbus Police Department to provide monthly reports to the UAC to better inform Commissioners and area residents around issues of safety. I have also served as Corresponding Secretary, chair of the Elections Committee, and currently serve as President of the UAC.

Under my leadership the UAC has:

- (4) voiced public concern around area liquor establishments
- (5) advocated for LEAD certified energy efficient buildings
- (6) partnered on a major tree planting project
- (7) created a subcommittee to address resident concerns on education
- (8) partnered with the CPD to address issues around safety
- (9) supported the City through promotion of the 311 Call Center

Over the next three years I plan to lead the UAC in an effort to provide unique neighborhoods within the district individual identities to promote the areas for higher concentrated homeownership and economic development.

- UAC President (2006 - current)
- UAC Corresponding Secretary
