Hello Colton,

Thank you for your patience. In answer to your question below, the Ohio State University, as an instrumentality of the state of Ohio, is not registered with the Ohio Secretary of State in the same way a private corporation or business would be. Instead, it is subject to the rules and regulations of the State of Ohio Government.

Please let us know if you need anything further.

Regards,

Kim Ferguson

You stumped me on that one, Colton. I'll have to request that information from our business office and get back to you.

Thanks.
