**A full description of all work to be performed including a full description of work to be
performed during any known phasing of the contract.**

The backhoe loader and trailers will be used primarily by the Division of Water, Water Distribution Maintenance Section assigned to maintain the water distribution system. The backhoe loader will excavate material needed to complete repairs to mainlines and valves. The trailers will be used to transport the backhoes to job sites. The equipment will be replacing Backhoe Loader BT-20660 and Trailers BT-21607 and BT-21608. This backhoe loader is being purchased in accordance with the City's Green Fleet initiative. The backhoe loader incorporates "Clean Burn" technology and has been approved by the City of Columbus, Fleet Management Division.

**A narrative timeline for the contract including a beginning date, beginning and ending
dates for known phases of the contract and a projected ending date.**

N/A

**An estimate of the full estimated cost of the Contract including a separate estimate of any
and all phases or proposed future contract modifications.**

\$136,576.00
