Re: Contract extension - NACR's # 41-1763228

As you are aware there is an agreement in place between North American Communications Resource, Inc. ("NACR") (formerly G3 Partners, LLC) and the City of Columbus Department of Technology that is to expire on October 31, 2014 ("Agreement"). In response to the change order request, to extend the File ID #1741-2013, from the City of Columbus, NACR has extended the term of the Agreement through October 31, 2015. All other terms of the agreement are unchanged.

Thank you,
