At the request of the Department of Development, The City of Columbus' (the City) U.S. Department of Housing and Urban Development (HUD) Fiscal Year (FY) 2021 Community Development Block Grant (CDBG) funding needs have been reassessed. A third substantial amendment to the FY 2021 HUD Annual Action Plan is required to propose changes to projects and funding allocations for CDBG grant dollars.

- The Department of Development, Housing Division, will utilize other funding to deliver Critical Home Repair Services for residents in need. The City proposes the cancellation of the 2021 Critical Home Repair Services FY 2021 CDBG program.

2.) Roofing Repair Services

- The Department of Development, Housing Division, will utilize the \$400,000 in FY 2021 CDBG funding from the cancelled FY 2021 CDBG Critical Home Repair Services program to increase the budget of the City's Roofing Repair Services program to \$845,000.

B. Citizen Participation

The City started a 30-day public comment period on June 27th, 2022 to gather feedback on the proposed change.
