

400 Girls Road
Jamestown, NY 14701

01/06/2014

This is to confirm that the Uni-Gold™ Recombigen® HIV product, that offers a CLIA waived rapid test with results in 10 minutes, picks up both IgM and IgG antibodies with 100% sensitivity. (Trinity Product Number 1206506) and related control material (Trinity Product Number 1206530), is manufactured exclusively by Trinity Biotech, Inc. Further, this product is only available to Public Health facilities directly from Trinity Biotech, Inc.

Sincerely,

A handwritten signature in cursive script that reads 'Heidi Maxwell'.
