RESUME

Clyde Miller
1992 Candlenut Circle
Grove City, Ohio

Despite the Grove City mailing address, this address is in the Willow Creek development in the city of Columbus. In November 2004, I will have lived here for 27 years. My wife and I have raised our two sons in this house and are currently playing an active role in helping to raise our two grandchildren.

I believe that the lack of an active commission in our neighborhood during the past few years has led to an increase in the number of polluting industries near our homes that threaten our health and property value.

I am running as a candidate for this commission in order to try to protect our neighborhood from negative development and to try to bring positive improvement to our area.
