- 5. A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract. The planning area should also be listed as well as any street or neighborhood names.**

Project is located within the Hilltop area commission.

CIP # 670878-100001 This project will provide construction administration and construction inspection services for the Hilltop Smart Lighting Phase One project. The Hilltop Smart Lighting project will implement Smart Lighting in the Phase 1 project area in the Hilltop neighborhood generally bounded by I-670 on the north and east, Wilson Road on the west, and Briggs Road on the south. The project will replace approximately 3,500 existing HPS lights with LED lights that will be connected to a central control system.

6. **A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.**

Contract work is required to be completed in a manner acceptable to the City within 365 days from the date that a Notice to Proceed (NTP) is given by the City.

7. **A narrative discussing the economic impact or economic advantages of the project; community outreach or input in the development of the project; and any environmental factors or advantages of the project.**

The installation and conversion to LED lighting within the project area would provide both an additional sense of safety and security to the residents. This may also deter criminal activity, which would lessen the financial impact on city resources such as the Police and Fire departments.

8. **An estimate of the full cost of the Contract including a separate estimate of any and all phases or proposed future contract modifications.**

The bid amount and proposed award amount is \$459,092.57, including a 15% construction contingency amount that will be utilized to fund needed and approved changes in the work. No contract modifications are anticipated at this time; however, construction exigency might later compel modification of this contract, if unforeseen difficulties are encountered.
