Kokosing Construction Company, Inc. | 886 McKinley Ave., Columbus, Ohio 43222

Contact Person: Bill Lauder, (614) 294-1005

**3. A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract.**

This is a contract for one of the key, time-critical wastewater plants construction projects in the City's Wet Weather Management Plan (WWMP) program, for the period through 2010. The work in that program is a very substantial group of sewer capital improvement projects (CIPs), both collections systems and treatment works improvements, which have been agreed to by the City and Ohio EPA in order to conform to the requirements of the City's consent orders

The proposed contract with Kokosing Construction Company, Inc., is for Contract S73 – SWWTP Headworks, Part 2. This contract Work consists of the construction of the Screen and Grit Building Addition, which provides four (4) 24-foot diameter grit tanks, grit pumps, grit classifiers with cyclones, and associated equipment, piping, and valves, Primary Influent Splitter improvements, a 96-inch East Train Primary Metering Influent Conduit, an East Train Primary Metering Chamber, excavation, backfilling, new roadways and pavement, underground utilities installation, installation of mechanical and electrical equipment, and other work as shown and described in the Bidding Documents.

**4. A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.**

Contract work is required to be substantially completed within 900 days from the date that a Notice To Proceed (NTP) is given by the City and final completion within 960 days from the date that a Notice To Proceed (NTP) is given by the City.

**5. An estimate of the full cost of the Contract including a separate estimate of any and all phases or proposed future contract modifications.**

The bid amount and proposed award amount is \$17,988,300.00 including a 10% construction contingency amount that will be utilized to fund needed and approved changes in the work. No contract modifications are anticipated at this time; however, construction exigency might later compel modification of this contract, if unforeseen difficulties are encountered.

Cost summary:

Original Contract	\$ 17,988,300.00
Future Anticipated Needs	\$ <u>          0.00</u>
CONTRACT TOTAL	\$ 17,988,300.00

Note: The Contract should be considered to include any and all work that is anticipated to be awarded to the company awarded the original contract throughout the contract/project timeline. This includes the original contract and any and all future anticipated modifications to the contract to complete the contract/project.
