**Subject:** FW: Skid Steer Front Loader

Good Afternoon John,

Traffic is requesting to purchase one skid steer front loader with a trailer. Traffic will be exchanging brass tags 23655 and 13429.

Do we have Fleet approval?

Best regards,

**Josh Davis**

No. It's not. I forgot to replace those when I copied and pasted the brass tags. The brass tag for the skid steer is 23655. We might need to trade in a trailer for the skid steer trailer we are requesting. If so, we'll exchange BT 13429.

Josh – Just checking, but these appear to be the same brass tag numbers from the drop deck trailers email. Is that correct?
