Dear Connie Warner:

I am pleased to confirm that the sole source for Reliable Controls Corp. Products, service, and system repair in the Columbus area is Riley and Associates. Riley and Associates has factory trained engineering and service personnel. These individuals have met or exceeded all Reliable Controls Corp. standards and the training was provided at the Reliable Controls factory.

All Reliable Controls Certification testing has been conducted by Reliable Controls Corp. personnel. Riley and Associates is fully authorized by Reliable Controls Corp. to design, install, and service all of our hardware products. Furthermore Riley and Associates is fully authorized by Reliable Controls Corp. to implement all of the software solutions provided by Reliable Controls Corp.

Sincerely,

A handwritten signature in cursive script that reads "Tracey J Lange".
