
**CITY OF COLUMBUS - BID WAIVER INFORMATION FORM
TO ACCOMPANY LEGISLATION WHICH WAIVES ANY PROVISIONS OF
COLUMBUS CITY CODES CHAPTER 329
(PLEASE LIMIT YOUR RESPONSE TO THIS SHEET)**

1. In accordance with section 329.27 of the Columbus City Code, City Council may determine that the City's best interest is served by waiving the City Code Formal Bid procedures for the following reason(s): (Note that these reasons are all based on time. Currently, formal bid average completion time is 160 calendar days.)

- An unanticipated breakdown created an unplanned, emergency need.
- The item to be purchased is of a perishable nature, the price or availability will perish before the formal bid process can be completed.
- Need to extend an existing contract for one year or more where no provision for extension was included in the original bid/contract.
- Need to increase a contract for additional supplies/services, although the original contract obligations have been fulfilled.
- A new law or regulation requires immediate compliance; there is insufficient time to accomplish formal competitive bidding and satisfy the needs in order to comply.
- Other: There is not enough time to obtain formally advertised, competitive sealed bids to satisfy the needs because: Bytemark is the lead sub-consultant for the Siemens Mobility, Inc. team that is developing the CPS for Smart Columbus. Bytemark is also responsible for keeping the CPS system operational, as part of the existing Siemens contract. Therefore, their existing and future relationship with the CPS project team allows for ongoing coordinated support in both design and operation of the project. Additionally, Bytemark is responsible for all payment transactions involving all mobility providers, parking providers and CPS users. Selecting another company will require additional expense for that company to become familiar with the system Bytemark is heavily involved in designing for this function.
