

OR#2648-2013

Information to be included in all Legislation authorizing Entering into Contracts:

The names of all companies bidding, or submitting an RFP or RFSQ

Advanced Control Systems-Norcross, GA

The location by City and State of all companies bidding, or submitting an RFP or RFSQ

Advanced Control Systems-Norcross, GA

The status, Majority, MBE or FBE, of all companies bidding, or submitting an RFP or RFSQ

Advanced Control Systems-Norcross, GA -WHT

A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract.

The referenced products will be adding to or replacing components of the existing system that is manufactured by ACS, and that communicates their proprietary protocol ACS3000. The engineering services will be performed on site with additional administration support provided via the existing VPN through high-speed network access. The PRISM Server upgrade, along with the new revision of software, substantially expands and improves the functionality and performance of the SCADA system

A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.

Beginning date: At receipt of Order

Ending date: Completion within 90 days after system delivery

An estimate of the full estimated cost of the Contract including a separate estimate of any and all phases or proposed future contract modifications.

\$27,572.00
