To whom it may concern,

Elgin Sweeper Company and Vactor Manufacturing, Inc. are represented by a world-wide distribution network offering expert service and genuine OEM quality parts for its and ELGIN street sweeping equipment and for VACTOR lines of sewer and catch basin cleaning equipment. Parts supplied by other vendors do not meet Elgin/Vactor OEM standards or requirements. Equipping your truck with a part other than a specified OEM product could affect your OEM warranty. Both companies are subsidiaries of Federal Signal Corporation.

Jack Doheny Doheny Companies, Inc. is the sole distributor for the entire state of Ohio representing Elgin Sweeper Company and Vactor Manufacturing, Inc. and is responsible for the sales, service, warranty and provider of genuine OEM parts for the Elgin and Vactor Product lines.
