Mayor Michael Coleman
City of Columbus
Columbus City Hall
90 West Broad Street
Columbus, Ohio 43215

Re: German Village Commission Appointment

Dear Mayor Coleman,

Please accept this as my request to be appointed to the German Village Commission. I am currently President of Bron Construction Group, a general contracting company specializing in renovation and new construction. As president of Bron, I have directed the renovation and construction of many medical, retail and office spaces, along with several residences. My attention to detail and extensive construction knowledge can be of service to the German Village Commission.

I have been a part of the German Village community for my entire life and a resident for the past 20 years. My family has lived and worked in German Village since the late 1800's. The history of German Village is part of my family history as well. My admiration for this historic neighborhood and my background as a general contractor make me an ideal candidate for the German Village Commission. I would be honored to be a part of developing and maintaining the history of this beautiful community. Please see the attached resume which outlines my relevant project experience.

Brett Leukart
President
Bron Construction Group

cc. Randy Black - Historic Preservation Officer, Jay Panzer - German Village Commission Chair
