Dear Brian,

MatrixPointe Software requests that the City of Columbus extend its existing professional services contract with MatrixPointe Software (ordinance# 1028-2015, PO# EL017301) through October 20, 2018 with all existing terms and conditions remaining the same. Based on updated project requirements and the many new features we are incorporating into our software for the Columbus City Attorney, additional time is needed to complete the project.

If you have any additional questions, please do not hesitate to contact **Thomas Coury** at (216) 865-0030 or via email at tc@matrixpointesoftware.com.

Sincerely,

Thomas J. Coury
