QUOTATION No. ML201101

Melissa Ervin
Columbus Department of Health
240 Parsons Ave
Columbus OH 43215
614-645-6067

Dear Melissa,

As requested, here is a quotation for the QuantiFERON®-TB GOLD In-Tube ELISA kit, blood tubes, and MULTI-PACK Kit options for \$16.00/test. We will include two days of technical training upon the purchase of at least one Multipack kit. Pricing is valid for 30 days and is subject to terms and conditions provided on the following page.

Catalog No.	Description	List Price* (USD)
0599-0401	QuantiFERON®-TB Gold In-Tube 'MULTI-PACK KIT' <i>includes 2 x 0590-0301 (Tube packs) + 3 x 0594-0201 (ELISA)</i> - runs up to 174 samples with 26 additional sets of tubes	\$2,955.00
<i>Pricing shown below is for purchasing tubes and ELISA reagent separately</i>		
T0590-0301	QuantiFERON®-TB Gold Tubes - Nil, TB Antigen, Mitogen, 100 each (\$10.45 per test)	\$660.00
T0597-0403	QuantiFERON®-TB Gold Dispenser Pack - Tubes packaged in a dispenser pack - 4 X 25 ct. (\$10.45 per test)	\$755.00
0597-0401	QuantiFERON®-TB Gold Dispenser Pack - 1 X 25 ct.	\$400.00
0594-0201	QuantiFERON®-TB Gold ELISA - runs up to 58 samples. (\$11.55 per test)	\$545.20
0594-0501	QuantiFERON®-TB Gold Reference Lab Pack - contains the components equivalent to 10 ELISA kits in one convenient package.	\$5,452.00

*Pricing excludes shipping and handling, and any applicable taxes.

Sincerely,

Michael Lucey
