

Information to be included in all Legislation authorizing entering into a Contract:

1. **The names, contract compliance no. & expiration date, location by City/State and status of all companies (NPO, MAJ, MBE, FBE, HL1, AS1, or MBR) submitting a competitive bid or submitting an RFP or RFSQ.**

<u>Name</u>	<u>C.C. No./Exp. Date</u>	<u>City/Status</u>	<u>Status</u>
D & M Painting Corporation	25-1468027 – 1/18/15	Washington, PA	MAJ
Horizon Bros. Painting	38-3394434 – 2/15/14	Howell, MI	MAJ

2. **What type of bidding process was used (ITB, RFP, RFSQ, Competitive Bid).**

Formal competitive bids were opened on October 23, 2013.

3. **List the ranking and order of all bidders.**

1. D&M Painting Corporation \$256,245.00 (as corrected)
2. Horizon Bros. Painting \$1,843,050.00

4. **Complete address, contact name and phone number for the successful bidder only.**

D&M Painting Corporation
1500 Amity Ridge Road
Washington, PA 15301
Mike Makripodis, (724) 229-0440

5. **A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract.**

Center rafter replacement, vent replacement and two additional vent installations, removal of existing overflow piping and installation of new overflow piping, installation of sump drain, installation of an active mixing system, and other such work as may be necessary to complete the contract in accordance with the plans and specifications set forth in the bid submittal documents.

6. **A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.**

Work under this contract shall be completed within 90 calendar days after the NTP is issued.

7. **A narrative discussing the economic impact or economic advantages of the project; community outreach or input in the development of the project; and any environmental factors or advantages of the project.**

By completing this project, the Morse Road South 10 MG Ground Storage Tank will be structurally sound and continue to offer the necessary water and fire protection to this area. The improvements to this tank will also bring us into compliance with the EPA for proper overflow piping. Lastly, by adding a mixing system to this tank we will be improving the water quality that is delivered to the community in this area.

8. **An estimate of the full cost of the Contract including a separate estimate of any and all phases or proposed future contract modifications.**
