

Dr. Augustus G. Parker III
President and Founder of Columbus Women's Care, Inc.

A board certified, practicing physician in the field of Obstetrics and Gynecology who has devoted much of his time to serving the Columbus community. A native of Columbus, Ohio who has practiced here since 1985. Past honors and accomplishments include: former Chairman of the Department of Obstetrics and Gynecology at Grant Medical Center, former President of the local chapter of the National Medical Association, Teacher of the Year Award from Grant Medical Center and receiving the Special Ties Award for work with disadvantaged children.

An inventor, holding patents on medical devices and tools used in practice today. He is a pioneer in innovative obstetrical surgical techniques such as Endometrial Ablation and Laparoscopic Hysterectomy. Dr. Parker pioneered the mobile health units that are currently serving the Columbus Public School system.

Dr. Parker has served on numerous boards such as the YMCA, Medical Advisory Committee for the Eastside Surgical Center, Ohio Sickle Cell Board of Trustees, and Blue-Chip Foundation. He lectures on numerous topics related to health care. In his spare time, he enjoys golf, tennis and photography.

Dr. Parker earned his B.A. degree in Biology from Kent State University in 1977. He then attended the University of Cincinnati and received his medical degree in 1981. He performed his residency at Altman Hospital in Canton, Ohio and did rotations in oncology at the Cleveland Clinic in Cleveland, Ohio.

Currently, he is the Director of Mount Carmel Obstetrical and Gynecology Clinical Services, the House Officer Director and serves in an administrative position with Mount Carmel Health Systems overseeing quality of care on issues related to obstetrics and gynecology. He is married to Cheryl Gibbs Parker and they have three children Augustus IV, Jason and Krista.
