RE: Sole Source

Dear Ms. Ison:

We understand that you are in need of confirmation of our status as manufacturer and sole distributor for sales of our QWICK KURB[®] line of products.

We are pleased to provide this letter to so confirm.

QWICK KURB[®] products include the L60 Curb, the L61 and L62 End Curbs, the L50 and L54 Base Plates, the L65 Reflective Arc, FS 50 Asphalt Anchor, and the vertical panels (L84 Flat, L104 Mega Marker[™] and L125 Big Bollard[™] series). There are some other items as well, but this list covers most of our products available on an exclusive basis.

The system includes several patents held by Horizont Klemmfix GmbH and licensed to us under an exclusive sales and manufacturing agreement covering the United States, Canada and some of the Caribbean. There are additional relevant patents and trademarks that we ourselves hold.

If you need any additional information, please let me know.

Sincerely,

Matthew Schindler
President
