Support & Maintenance

Micro Focus Support & Maintenance provides access to our experienced and dedicated team of engineers who provide comprehensive technical support, usually in local languages, via the telephone or web. The SupportLine web portal provides access to a wealth of technical resources, including the Micro Focus Knowledge Base - a growing, searchable database of technical articles, problem resolutions and advice; product updates; and a sophisticated web incident reporting system where you can log incidents and track their progress through to resolution.

Training

Micro Focus provides education solutions with a hands-on approach and real-world scenarios, giving you the tools you need to take full advantage and achieve maximum benefit from your solution purchase. Web Based Training is also available; for more information please visit:

<http://www.microfocus.com/services/training/>

Consultancy

Consultancy is also available upon application, covering all aspects of implementation, problem solving, test and development; for more information please visit:

<http://www.microfocus.com/services/>

Next Steps

So we can efficiently process your order, please follow the specific guidelines below. These stipulations are requirements of our organization, and we cannot process your order without this information.

Purchase Order (PO) Guidelines

Please note this is a quote only. If you wish to place the order please either fill in the attached Solution Order Form and return it to me along with this quote, or call me, or simply send me a PO before this quote expires on **26-Jul-2013**.

Please complete the checklist below and return it with your PO, to "**Micro Focus (US) Inc., One Irvington Centre, 700 King Farm Boulevard, Suite 400, Rockville, MD 20850, United States**" (variations cannot be processed).

- Please include a PO reference or number
- Shipping and billing address clearly marked
- The user's Name / Telephone Number / Email Address / Position in company
- The solution and quoted price clearly stated
- If an upgrade, please provide corresponding serial number required
- A valid Sales Tax number
- Payment Terms of "**Net 30 Days**", noted clearly on your PO
- Signature of approval
- Accounts Payable Contact
- Accounts Payable telephone number
- The date of order, clearly marked

Terms:

- Except as otherwise specified above or agreed in writing by Licensee and Micro Focus, the Micro Focus End User License Agreement and Silver Support terms shall apply to this Solution Order. Micro Focus specifically disclaims terms and conditions contained in any Purchase Order or similar document issued by Licensee in connection with this Solution Order and any such document issued hereto relating to this Agreement shall be for administrative purposes only and shall have no legal effect.
- Initial maintenance: for initial software licenses, first year Support & Maintenance is included unless otherwise specified.
- Licensee irrevocably commits to make the payments specified above and such payments will be due and payable 'Net 30 Days' from the date of invoice. Any amount not paid when due will accrue interest at a rate of 1.5% per month until paid (or such lower rate as the highest permissible contract rate under applicable law or as otherwise agreed) which shall be added to the fees due and owing to Micro Focus.
- Payments by credit card greater than \$2,500.00 will be charged a convenience fee of 2.5% on the amounts in excess of \$2,500.00. Invoices paid by credit card require full payment.
- Taxes: The Licensee is responsible for any applicable tax, unless the Licensee provides Micro Focus with a copy of its tax exemption certificate. If a Purchase Order is required, please provide the information to your Micro Focus Account Manager. All terms contained in any City of Columbus Ohio provided documents are hereby rejected in full by Micro Focus.
- Installation: City of Columbus Ohio is responsible for installation of the Software.
- E&OE - errors and omissions excepted.
- Acceptance of this quote is not subject to or dependent upon the delivery or performance of any associated services hereunder.
