**Bio** Participated in neighborhood cleanups, National Night Out and Civic Association/Block Watch meetings. Attended Area Commission meetings. I've gained an interest in the well-being of the community and wanted to do my part in the decision-making process. When I was approached by a neighbor and after living in the community all my life, I just wanted to do something else for the community. I am part of the future being a young man and father, so I'm honored that the torch is being passed to my generation,
