Re: Donations for 3639 Parsons Ave

To Whom It May Concern:

CME Federal Credit Union was founded in 1935 by City of Columbus Firefighters with a mission to help provide affordable finance options for fellow firefighters, as well as to give back to the community in which we live and work.

For over 90 years, CME has taken pride in supporting First Responders. It is with great pleasure that we have chosen to donate signage, furniture and paint to update the lobby area and gym (graduation area) of 3639 Parsons Ave.

The value of this donation is \$25,000.

- Please let me know if you have further questions regarding our donation. We are excited to be able to help improve the facility, as well as enhance the areas that the community visits to see their family members/friends graduate as City of Columbus Firefighters.

Sincerely,
