

Preserve District

This district is located east of Hamilton Road, north of Morse Road and follows the Columbus city limits east to the village of New Albany. A significant portion of this district is undeveloped, however, almost the entire district has previously been annexed and zoned in the city of Columbus.

The largest single zoning in the district is the Preserve Master Plan, a nearly 1,000-acre development east of Hamilton Road. This plan will incorporate single and multi-family residences, provisions for open space, portions of a golf course, and some commercial uses. Hamilton Road will eventually be extended in the northwest corner of this district. There is commercial and multi-family zoning in place where this road will be located.

Zoning on several parcels near SR-161, north of Dublin-Granville Road, ranges from LM2, limited manufacturing, to LC4, limited commercial. Preliminary private sector plans for these parcels call for a mixed-use development with retail, single and multi-family residential, and office uses.
