Re: German Village Commission

Dear Randy:

I would like to be considered as a candidate for one of the vacant positions on the German Village Commission. I am an architect who specializes in the rehabilitation and adaptive reuse of historic buildings, with emphasis on following the Secretary of the Interior's Standards. My firm, Hardlines Design Company, has been working in this field since 1990, mostly on projects across the country.

I am currently serving as a Columbus Landmarks Foundation board member, and welcome the opportunity to broaden my exposure to preservation work in Columbus. Attached is a current resume. Please let me know if you need additional information!

Sincerely,

Charissa Wang Durst, AIA
President
