This quotation has been prepared for:

Mr. Mike Merchant	**Quotation No.:** **P53-1755**
City of Columbus DOSD	**Account Manager:** **Andrew J. Synnott**
Utilities Complex	
910 Dublin Road	**Date:** **December 5, 2007**
Columbus, OH 43215	**Terms of Sale:** **Net 30 Days**
(614) 615-6810	**Delivery:** **Immediate**

ITEM NO.	QTY.	DESCRIPTION	UNIT PRICE (Gov)	EXT PRICE (Gov)	ANNUAL MAINT
1	1	Falcon/Enterprise 10 concurrent user module Falcon/Enterprise extends the power of the Falcon/SVP by providing unlimited web-based access for search, view and print functions for all documents indexed in the Falcon/DMS database as well as: • Post Document • Check - Out • Check-In Pricing is based on concurrent use with a 4-hour license checkout.	$11,250	$11,250	$2,500
2	1	Falcon/DMS Sentry Engine The Falcon/Sentry system is comprised of a server based engine and add-on modules that the user can employ to create a customized workflow. This server engine is the core of the Falcon/Sentry system and manages all licensed Sentry modules This engine is required before any add-on modules can be added.	$9,000	$9,000	$2,000

3	1	Falcon/Sentry PDF Publisher Module	$4,500	$4,500	$1,000
		The PDF Publisher Module enables the conversion of file content from one format to another. As an example this module can convert Microstation design file format to PDF format for easy web viewing. The rendition process can be configured to utilize an internal Spicer format processor. Another feature allows for the creation of a multi-page PDF file to be used as a print preview capability for multiple input formats.			
TOTAL THIS QUOTATION				$24,750	$5,500

This quotation is valid for 30 days.

Prices quoted do not exceed the published list prices.

Thank you for the opportunity to provide this quotation.
