South Linden Area Commission
De Lena P. Scales
Biographical Sketch

Courageous, enthusiastic and result driven are the characteristics that define me as an emerging leader. I have established relationships with stakeholders in the Linden community and I have the passion to encourage them to support the SLAC mission. I bring board experience from the Mt. Vernon District Improvement Association. I am an experienced grant researcher, event planner and marketing professional.

I am passionate about the greater Linden community because I grew up in this area, residing on E. 20th, 22nd and 26th. My first job was at the now demolished McDonald's on Cleveland and Duxberry Avenue. I am a member of Travelers Rest Baptist Church where I was baptized at the age of 10. I have a host of family members who reside in the Greater Linden Community and my hopes are to provide transitional housing to youth 16-24 living in the area. I remember a vibrant Linden area and I desire to restore the unity in my broken disconnected community.

By serving on the South Linden Area Commission I seek to gain insight about the concerns and issues of the residents. I plan to achieve this by truly engaging the community and encouraging them to share their needs and ideas via survey's and roundtable discussions. As leaders it is easy for us to develop programs that we believe the community needs. Then sit back and wonder why residents are not attending or engaged. I want Linden residents to tell me what it is they need then work with them to provide those needs. The residents must feel they have a voice, they must be invested in our efforts. That's what restores pride.

I plan to learn a lot! There are some amazing leaders sitting on the SLAC and I plan to sit at their feet and learn all that I can. From zoning to serving as a Liaison between the community and City Council, I want to learn it all.
