1. Read and become knowledgeable of the requirements of Columbus City Code section 329 as it pertains to construction advertising, evaluation, and contracting.

Here is a link to City Code [Columbus City Code](#)

2. Enter information into the cells that are blank and grey. Do not enter info to cells that are blank and white as there may be a formula in that cell.

3. If you have questions about using the spreadsheet, contact Suzanna Gussler or Alex Cofield.

4. If you print the workbook in its entirety from the print screen as opposed to printing each worksheet separately ("active sheets"), you will print this page and the evaluation will begin on page 2 and go through page 13. If you print each workbook separately, the page numbering is different.
