RE: Sole Source Products

Dear Mary Lyles,

Please consider this letter as verification that Abbott Laboratories Inc. is the sole manufacturer, distributor and service provider of the Abbott ARCHITECT instrumentation, as well as the product lines which would include reagents, calibrators, controls and accessories as appropriate for use at the City of Columbus, Health Department.

These would include all products needed to perform the HIV and HCV testing in your laboratory.

If you have any questions, please feel free to contact me, Pamela Sunderman at [pamela.sunderman@abbott.com](mailto:pamela.sunderman@abbott.com) or (312)758-4136.

Thank you for your continued interest in Abbott products.

Regards,
