Good Morning John,

Infrastructure is requesting to purchase five Ford F-350 as a one-for-one trade-in. They will identify the brass tags closer to when Byers delivers the trucks.

Do we have Fleet approval?

Best regards,

Subject: FW: F350 Quotes

Josh,

Attached is a quote from Byers for the F350's. Street Maintenance would like to purchase five (5) F350's that will be one-for-one trade ins. I will identify the BT#'s that will be turned in once the new units have arrived. All five (5) trucks will need to be upfitted.

I will get you the specs for the upfitting once I get information on the F450 that we will be purchasing as it will need upfitted as well and I want to do one bid for both the F350 & F450 upfitting.
