Re: Transportation and Pedestrian Commission Dear Mr. Guzman:

Thank you for your letter of June 28, 2005 seeking a new appointment from the Columbus Public Schools to the Transportation and Pedestrian Commission. Enclosed please find the resume of Eric Pinkett, Director of Transportation for the school district who will serve as the district's representative to the Commission. Mr. Pinkett has been serving in this role since the resignation of Lori Carter-Evans and I am confident in his ability to provide strong representation on behalf of the students and families of the Columbus Public Schools.

Sincerely,

Gene T. Harris, Ph.D.
