Site Information

- The site is located in West Third Avenue, from the intersection at Fairview Avenue west to just outside the intersection at Oakland Avenue, and consists entirely of right of way.

Key Issues

- Transferring this area to Grandview Heights will unify the right of way with Grandview Heights territory on the north and south sides of the roadway, and allows Grandview Heights to pursue infrastructure improvements for the adjacent high school and athletic fields.
- The transfer is supported by city departments.
- This legislation is being filed in response to the provisions of the Ohio Revised Code - section 709.37 regarding municipal boundary adjustments. The process requires that both communities pass legislation approving the transfer, which will then be submitted for finalization by the Franklin County Commissioners.
- Grandview Heights is proceeding with a similar ordinance addressing this transfer.
