To Whom It May Concern:

Pursuant to Ohio Revised Code § 1703.02, this letter serves as formal notice that Orion Communications Inc, a Texas corporation organized under the laws of Texas, is exempt from the business registration requirement set forth in ORC § 1703.03.

Our company is engaged solely in interstate commerce and does not transact intrastate business within the State of Ohio. Specifically, our activities within Ohio are limited to the remote installation and 3<sup>rd</sup> party support of software that has been sold by us in interstate commerce and downloaded digitally by customers, which falls within the exemption explicitly provided under ORC § 1703.02.

As such, Orion Communications Inc is not required to obtain a license or register as a foreign corporation with the Ohio Secretary of State. If further documentation or clarification is needed, please do not hesitate to contact us.

Sincerely,
