5. A description of work performed to date as part of the contract and a full description of work to be performed during any future phasing of the contract.

This is a contract for Elevator Maintenance Services for the Department of Public Utilities facilities at Southerly Wastewater Treatment Plant, Jackson Pike Wastewater Treatment Plant, and Sewer Maintenance Operations Center Facility. Other Department facilities may be added in the future. The work to be performed under this contract will be mainly Elevators and their associated equipment and systems that require inspection, testing, troubleshooting, maintenance, and repair or replacement of failed components. The work may also include updating of software for the various units and their associated equipment.

6. An updated contract timeline to contract completion.

Year 1 September 15, 2014 to September 14, 2015
Year 2 September 15, 2015 to September 14, 2016
Year 3 September 15, 2016 to September 14, 2017
Year 4 September 15, 2017 to September 14, 2018

7. A description of any and all modifications to date including the amounts of each modification and the Contract Number associated with any modification to date. (List each modification separately.)

This is the third modification of this contract.
Modification #1 – \$70,000.00 (EL017416)
Modification #2 – \$0.00
Modification #3 – \$70,000.00 (Pending)

8. A full description of the work to be performed as part of the proposed contract modification. (Indicating the work to be a logical extension of the contract is not sufficient explanation.)

This contract modification will extend the duration of the contract for year 4; to continue the Elevator Maintenance Services for the various DPU facilities, troubleshooting of elevator problems, repair of

failed components outside of regular maintenance work, and annual and five year load/ no-load testing, as required.

9. If the contract modification was not anticipated and explained in the original contract legislation a full explanation as to the reasons the work could not have been anticipated is required. (Changed or field conditions is not sufficient explanation. Describe in full the changed conditions that require modification of the contract scope and amount.)

Anticipated modification. The original contract allows for three (3) extension periods on a year to year basis. This modification is to provide funding and the time extension necessary for the services to be provided through September 14, 2018.

10. An explanation of why the work to be performed as part of the contract modification cannot be bid out. (Indicating the work to be a logical extension of the contract is not sufficient explanation.)

The same exact service is required as originally bid. No lower pricing/more attractive terms and conditions are anticipated at this time.

11. A cost summary to include the original contract amount, the cost of each modification to date (list each modification separately), the cost of the modification being requested in the legislation, the estimated cost of any future known modifications and a total estimate of the contract cost.

This contract will be funded incrementally with modifications on approximately an annual basis. Three contract modifications are anticipated at this time for DOSD Facilities. If other DPU Facilities are added, if unforeseen issues or difficulties are encountered that would require additional funding, a modification would be requested. The expected cost for this project is as follows:

Original Contract EL016258 - \$65,570.00,
Modification #1 - \$70,000.00 (EL017416)
Modification #2 - \$0.00
Modification #3 - \$70,000.00 (Pending)
Total Estimated Cost - \$205,570.00

12. An explanation of how the cost of the modification was determined.

The cost to provide elevator inspection, testing, maintenance, repair, reporting and documentation for DPU facility components is in accordance with the contract.
