Re: Historic Resources Commission

Mr. Wheeler,

I am writing to express my continued interest in helping to serve our city as a member of the Historic Resources Commission. As an advocate for living and working in downtown neighborhoods, it is important that we maintain the historic fabric and help ensure the continued and necessary success of these great communities.

I look forward to remaining involved in the growth and revitalization of Columbus through participation on this commission. Thank you for your consideration in this matter.

Sincerely,
