Order O-CC578

Smartsheet will provision Subscription Services and issue an invoice for amounts due promptly after receipt of an executed Order. Subscription Term may be adjusted based on the actual provision date of the Subscription Service, which will be specified in your invoice with any corresponding prorated amounts due. This Order and any renewals are governed by, and hereby incorporate by reference, that certain agreement between Smartsheet Inc. and the Reseller identified above, governing the resale of Smartsheet products and services ("Reseller Agreement"). By submitting this Order, you are entering into an agreement on behalf of your company for the provision of services by Smartsheet. Accordingly, you (i) acknowledge that you have read the Reseller Agreement, understand it, and agree to be bound by it; and (ii) represent and warrant that you have the necessary authority to submit this Order. Minimum differences in feature availability may exist between Regions, for details see <https://help.smartsheet.com/regions-capability-differences>

User Subscription is further subject to the Documentation found here: <https://help.smartsheet.com/articles/2483258-user-subscription-model-documentation>

As detailed in the article linked above, Customer may add Users during the Subscription Term for a period of provisional unpaid use. During designated reconciliation periods following the provisional use period, Customer may (i) add Users to a paid subscription or (ii) update those Users to an unpaid user type. At the end of each reconciliation period, Smartsheet will issue a true-up invoice for any Users added to a paid subscription.

Product Terms:

Customer is responsible for maintaining the number of individuals authorized or invited by Customer to access and use the Platform during the Subscription Term ("Connected Users") in accordance with the limitations set forth in this Order and the Agreement. Smartsheet may assess Customer usage and invoice Customer for Connected Users in excess of purchased capacity as set forth in the Smartsheet Advance Help Article or as otherwise agreement between the parties.

This Order includes Customer Managed Encryption Keys (CMEK) functionality within the Smartsheet Subscription Service which requires certain configuration to enable and is scoped to certain data pursuant to the CMEK Documentation at help.smartsheet.com. Please note, CMEK may only be deployed for Smartsheet assets (e.g. sheets, dashboards, reports, workspaces, and applications within the Service) created after the Effective Date of this Order.
