Where do you currently work or if retired, where have you worked in the past? I'm retired for a year and a half. Prior to that I was an Interior Designer for 38 years. I had my own design business for 23 of those 38 years.

Describe your community involvement in the past: My husband & myself are the Block Watch Coordinators in our community of Gender Park, I'm currently a Board member & have been for the last 4- ½ years at Gender Park. I'm also a member of the Community Block Watch Coordinators Organization. I have completed the The Columbus Citizens Police Academy Course. As a result of taking that course I've become a member of The Columbus Police Academy Alumni Association (CPAAA). This organization is involved in doing volunteer work for our illustrious Columbus Police Department & it's Officers throughout the year.

Describe your community involvement within the Greater South East Commission Area: I joined the Task Force before it became a Commission. I attended meetings to strategize, plan & troubleshoot what our goals needed to be as well as attend some of the meetings of The Far East Area Commission. Lastly, I participated in collecting a couple hundred signatures on the petitions to help get our commission started. Went with other Task Force people to meet with some of the City Council members to present our plans for the Greater Southeast Area Commission.

List your current affiliations: Block Watch Coordinator, Board Of Director's position at Gender Park, Columbus Citizens Police Academy Alumni Association, Greater South East Area Commission.
