Bio: Dan was born and raised in the Hilltop Area in Holly Hill. His parents worked hard to send he and his four siblings to Bishop Ready High School. Dan graduated from The Ohio State University with a degree in Social Work. He has worked in social services and business administration for over thirty years. Dan moved back to the Hilltop in 2007 and now lives in Brookshire which makes a total of 36 years living in the Hilltop Area. His mom and two brothers also live in the Hilltop. There are three characteristics that describe Dan... a problem solver, an avid learner and he seeks to understand the big picture. This led Dan to pursue an Executive Masters Degree in Public Administration from Ohio University. He is thrilled to have the opportunity to contribute his time as well as to learn from and help represent his neighbors in this community he loves.
