## **Bio for Jim Cole**

I am originally from the Akron-Cleveland area. Graduated from Revere High School and attended Akron University. Graduated from Akron University with degrees in Engineering Technology and Industrial Management. I worked for Price Brother Concrete Corp in Kent Ohio to pay for most of my college tuition and expenses.

I relocated to Columbus in 1972 for employment opportunities. My work experience includes positions in purchasing and materials management with Jeffery Mining Machinery Corp, Grimes Aerospace Corp, and Command Alkon Corp.

I retired in 2014 so I could spend more time on my hobbies and interests, but most important, to enjoy and watch our 8 grandchildren grow and mature.

I have been a resident of the Southside of Columbus for 45 years living in both German Village and Schumacher Place. I raised my family here as a single parent. I have been active in both the German Village Society and the Schumacher Place Civic Association.

I ran for the position of Commissioner on the CSSAC to represent Schumacher Place as I believe in and love our neighborhood. We are a historical neighborhood which needs to be protected and preserved. But more important, I want to represent and support my fellow neighbors that have invested their time and hard earned money in their homes and neighborhood to make Schumacher the diverse neighborhood it is today.
