Happy Friday Safe Kids Ohio!!

I'm starting the process to issue the stipends for October Teen Safe Driving programming. If you are interested in the stipend, please send me your agencies W9 and I will begin the check issuing process. Depending on interest each coalition will receive at minimum \$2000 for programming. The stipend may be increased depending on how many coalitions wish to utilize the funds. As a reminder these are unrestricted funds but must be used for teen safe driving programming. This can be used in collaboration with Safe Communities.

Please send me your W9 as soon as possible, if you are not planning on participating, please let me know.
Have a great weekend,
Heather
