Project No. 02520011RH0213

Dear Ms. Bodnar:

This letter supersedes the letter you received December 26, 2012 via email from your Reproductive Health and Wellness Program consultant.

Your agency is eligible to receive \$47,712 in additional Reproductive Health and Wellness Program funds and **must** be encumbered by **February 28, 2013 and liquidated by April 15, 2013**. This includes an additional \$8523 to be used for training, insertion and purchasing of Mirenas, Paraguards or Nexplanon. Your agency must submit a budget revision based on \$212,712 in total funds. Your budget revision must be submitted no later than **noon on Thursday, January 10, 2013** via the Grants Management Information System and in accordance with ODH Grants Administration Policies and Procedures. All costs must be allowable and justified in the budget justification. Please note that failure to meet this deadline will result in loss of these funds. **No appeals will be accepted.**

Your agency will receive a revised Notice of Award after the budget revision is approved by ODH. Since this budget revision is required by ODH to adjust your grant award, it will not count against the number of budget revisions available this fiscal year.

If you have any questions, please call Lisa Wolfe, Program Administrator, (614) 466.5878.

Sincerely,

A handwritten signature in black ink, which appears to be 'Jo Bouchard', is written above the typed name.
