Re: ORC1703

To whom this may concern,

After careful consideration and review of your state laws and requirements, it has been determined that "Arrow Energy, Inc" is not engaged in business in the state of Ohio, but rather it is strictly engaging in interstate commerce as defined in chapter 1703 of the Ohio Code.

Therefore, based upon the above fact, we hereby request Arrow Energy's withdrawal of qualification for the above mentioned subject, reports and/or returns.

If further information is needed, please advise.

Sincerely,

Nathan Faiman
