RE: Propeller Sales and Service LLC
Powell, Ohio

Dear Ms. Rodgers,

Propeller Sales and Service LLC is a distributor and authorized repair facility of Michigan Wheel Corporation marine propeller products. The company is in good standing. Propeller Sales and Service LLC is the only distributor and authorized repair in central Ohio.

Michigan Wheel Corporation does not franchise or assign exclusivity to any of its distributors for any given area. Obviously, it would be advantageous for interested parties to work with distributors/repair in their locale, but that is not dictated by the factory.

Michigan Wheel has 68 distributors throughout North America, with detail on website www.miwheel.com. Any may be solicited; inquiries may also be sent to info@miwheel.com, and response will be made with consideration of how to best accommodate an area requirement.

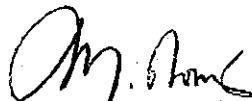

Additional distributors/authorized repair in the state of Ohio are:

Minderman Marine Products
Port Clinton, Ohio, contact Stuart Gahn, phn 419 732 2626

Sante Marine, Inc.
Cleveland, Ohio, contact Al Soper, phn 216 771 7767

Thank you for your interest in Michigan Wheel Corporation products. If I may be of further assistance, please contact.

Sincerely,

Martin Ronis
