
CITY OF COLUMBUS - SOLE SOURCE INFORMATION FORM

TO ACCOMPANY LEGISLATION WHICH WAIVES
ANY PROVISIONS OF COLUMBUS CITY CODE CHAPTER 329.
(LIMIT YOUR RESPONSE TO THIS SHEET)

1. Verification of sole source: (Why no other individual or business entity is capable of supplying the needed item/service.)

- Sole source manufacturer/distributor.
- Sole distributor authorized for this territory.
- Patented product purchased for owner/developer.
- Sole company offering this unique service.
- Other:

2. Describe any effort to bid for alternate item (service or product) that is not provided by a sole source that would meet this need:

The vendor is the sole provider of the already existing equipment at the indoor shooting range and therefore would be more expensive to go outside of this vendor for any upgrades to the system as it would require a complete overhaul of the range with another system.

3. Describe efforts to determine/verify that the company is the sole source:

This vendor has their proprietary system already in place and therefore any upgrades would need to come from them so it will be compatible with the already existing components.

4. Indicate how the price or fee structure was determined:

Based on the sole provider quote given, as putting this out for bid is manifestly impractical to bid due to the existing hardware and software already in place is proprietary and would require a complete overhaul if another vendor would bid for this service thus costing more money.
