August 2021 - July 2024 (3 years)

Counsel and Director of CDFI Investments

December 2016 - August 2021 (4 years 9 months)

Frost Brown Todd

Attorney

February 2012 - December 2016 (4 years 11 months)

Focuses practice on serving the needs of businesses, as well as individuals and business owners, with regard to transactions involving corporate and business law, taxation, financing, and commercial real estate.

Corporate and Financing: Counsels clients regarding entity selection, formation and governance; capitalization and financing, including structuring financing and ultimate loan documentation. Acts as outside general counsel to a variety of businesses, including real estate development companies, construction companies, and health related companies. Supports the public and private structured finance group. Also represents the largest state affiliated lender on corporate and finance matters.

Tax: Advises tax exempt organizations on a variety of matters, including applying for and obtaining tax exempt status, business ventures, and political activities. Reviews and advises tax exempt organizations on prospective investments to ensure compliance with investing rules and tax laws. Co-wrote model municipal income tax ordinance in response to Ohio HB 5. Represents and advises companies and individuals on tax compliance issues.

Real estate: Represents real estate companies in acquisition, financing and sale transactions. Has experience with 1031 exchange transactions.
