Through: Gwen Akrobettoe, Assistant Director, Department of Technology
From: Mark Freeman, Assistant Director, Department of Technology *Mark Freeman*
SUBJECT: Award of SA004853 Websense Subscription and Support

The Department of Technology (DoT), through utilization of an Invitation to Bid process, received 4 bids in response to SA004853 for purchase of Websense subscriptions and support. I have reviewed the proposals received, and am recommending that award be made to the lowest and best bidder, Blue Orbit Group LLC. Blue Orbit offered the lowest overall price, and they are an authorized Websense reseller as required in the bid specifications.

If you have any questions please contact Miki Calero (645-2856).
