### Bio

I have been involved in the Old Oaks Community for the good part of 2012 and finally became a resident in October of the same year. In December I was nominated to finish the term of Demetrius Curry and was approved through public vote by a majority of standing commissioners.

I was born in Pickerington, OH and graduated from Pickerington High School in 2000. I attended Bowling Green State University where I served as Vice President of the local Association of Computing Machinery. I graduated in 2005 with a Bachelor's in Computer Science and have since worked as a quality assurance analyst at Redemtech and a software developer at BMW Financial Services. I am currently employed full-time as a software developer at Salon Lofts, a business which was started and is headquartered in Columbus, OH.

I have previously volunteered for the Pickerington Elementary School, Habitat for Humanity and the Ohio Wildlife Center.
