February 15, 2010

Dear Customer:

Following the acquisition of Sun Microsystems, Inc. and its subsidiaries by Oracle, and as part of the integration, the Oracle and Sun entities are reorganizing. On February 15, 2010, Oracle USA, Inc. ("OUSA") merged with and into Sun Microsystems, Inc. ("SMI"), and SMI was the surviving entity in the merger. SMI was concurrently renamed Oracle America, Inc. ("OAI"). As a result of such merger, OAI is the successor in interest to OUSA for all contracts. All references to Oracle USA, Inc. in your agreement shall mean Oracle America, Inc.

Sincerely,

Catherine L. Chou
VP, North America Contract Services and Business Practices
