5. **A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract.**

The Lions Park Underground Street Lighting Improvements project will install 14 decorative post top street light poles and LED street lights with underground wiring in the Lions Park area of Columbus.

The planning area for this project is “Near South - 22” and includes the following boundaries: to the east: S. Sixth Street; to the south: Hinkle Avenue; to the west: Bruck Street; and to the north: E. Barthman Avenue.

6. **A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.**

All work shall be substantially complete within 180 calendar days of the Notice to Proceed, with final completion to occur within 180 calendar days. The City anticipates issuing a Notice to proceed on or about September 12, 2017.

**ORD NO. 1646-2017**

**7. A narrative discussing the economic impact or economic advantages of the project; community outreach or input in the development of the project; and any environmental factors or advantages of the project.**

This work is being performed with the City of Columbus's goal to light every street. The addition of street lighting within the Southeast Lions Park area could provide both a sense of security and additional visibility on the roadways. This may also deter criminal activity, which would lessen the financial impact on city resources such as the Police and Fire departments.

**8. An estimate of the full cost of the Contract including a separate estimate of any and all phases or proposed future contract modifications.**

The bid amount and proposed award amount is \$99,808.49, including a 15% construction contingency amount that will be utilized to fund needed and approved changes in the work. No contract modifications are anticipated at this time; however, construction exigency might later compel modification of this contract, if unforeseen difficulties are encountered.

Cost summary:

Original Contract	\$ 99,808.49
Future Anticipated Needs	\$ <u>0.00</u>
CONTRACT TOTAL	\$ 99,808.49

\*\*Construction Administration / Inspection will be performed by Prime AE Group under a separate Ordinance.
