Dear Ms. Warner,

I am writing to confirm that All Point Systems, Ltd. is the authorized dealer/distributor for the SKF mobile lubrication system product line. This includes the Willy Vogel brand of lubrication products acquired by SKF in 2007. SKF has chosen All Point Systems, Ltd. to be our only authorized mobile lubrication system dealer in Ohio because of the technical expertise and experience they possess in this area of our product offering. Please refer all requirements for SKF mobile lubrication system products to All Point Systems, Ltd.

Best Regards,
